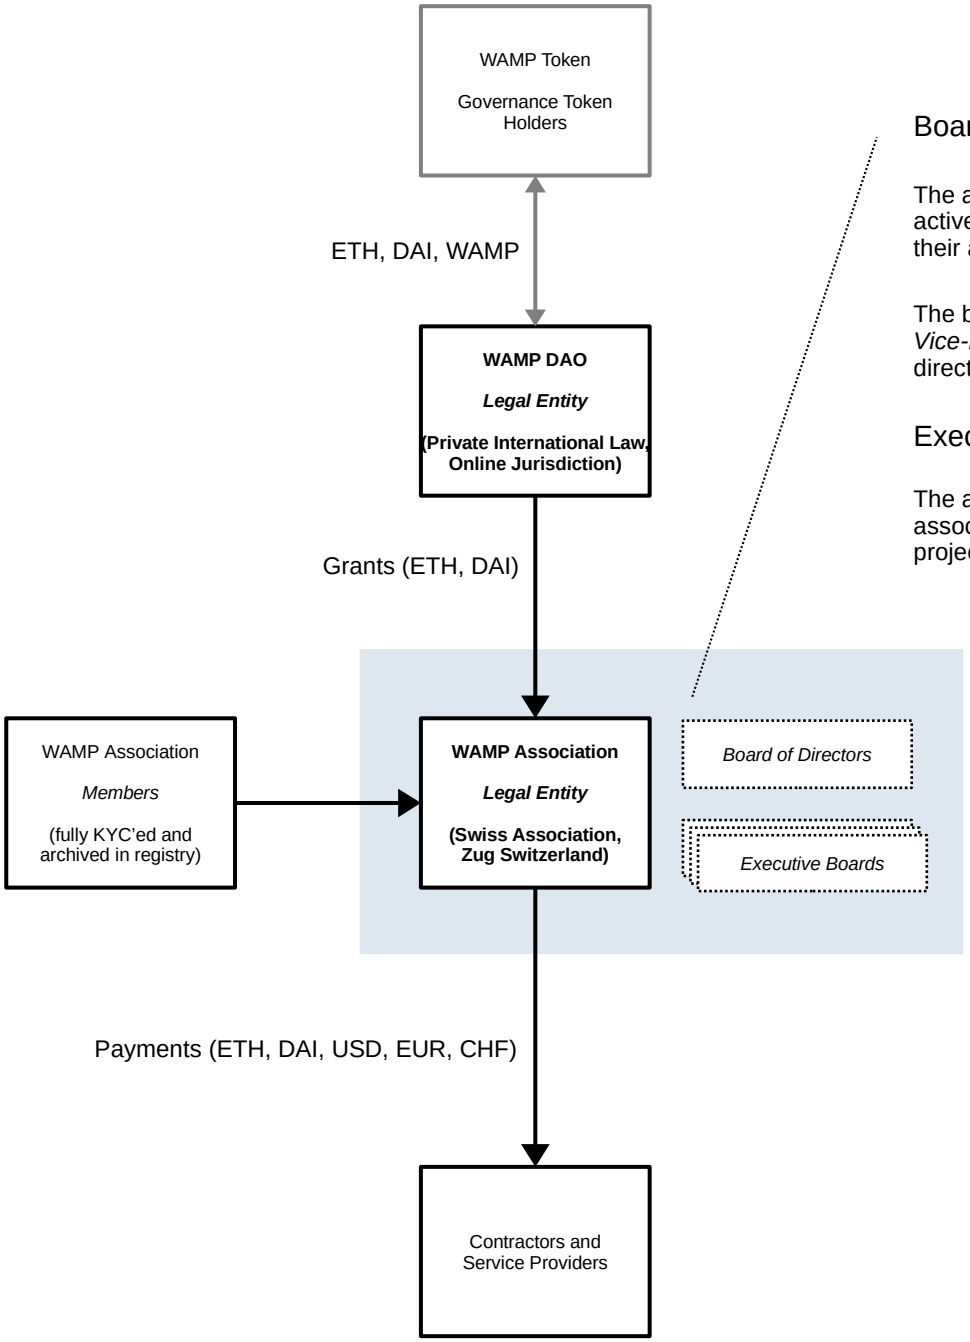
WAMP Association: Structure of Organization



Board of Directors

The association's *Board of Directors* ("Vorstand") is comprised of volunteers that are actively involved in the WAMP community and are respected engineers and researchers in their areas of professional expertise.

The board has 5, 7 or 9 directors, of which one is designated *President*, one is designated *Vice-President*, and which may have a designated *Treasurer* and *Secretary* among it's directors.

Executive Boards

The association's *Board of Directors* can create *Executive Boards* with members of the association (including current board directors) to implement the association's mission or projects and execute the board of directors decisions.
